HENLEY BBQ

On Saturday 7th July at Henley cricket pitch there will be a club BBQ. This will be held after the final race and all friends, family, and supporters are welcome to join the fun. It's one of the few times in the year that all branches of NUBC are in the same place at the same time. Look out for current students in order to purchase a wristband for this.

DIRECTIONS

Car park spaces are available on the Regatta site. It is advisable to purchase daily parking labels in advance.

Please allow additional time to enter the car parks due to the extra security measures that are now operated by the Regatta and the Police in the surrounding areas.

Visitors with a pre-purchased label should display it clearly in the window of their vehicle before arriving at the car park entrance. Visitors are also reminded that incorrect or copied labels will be barred from accessing to the Regatta site.

Trains run frequently to Henley from London (Paddington) and a special timetable operated by Great Western Railway for the duration of the Regatta.

STEWARDS' ENCLOSURE

Situated on the Berkshire bank, opposite the Finish Line, the Stewards' Enclosure is reserved for Members and their Guests only.

Within the Enclosure, racing can be viewed from the Members' Grandstand (reserved seating), the Fawley Grandstand (unreserved seating) and the Floater (Members only).

Children from the age of ten are welcome in the Stewards' Enclosure. Children under the age of ten can enjoy the event from the Regatta Enclosure.

Gentlemen are required to wear lounge suits, or jackets or blazers with flannels, together with a tie or cravat. No one will be admitted to the Stewards' Enclosure wearing shorts or jeans.

Ladies are required to wear dresses or skirts with a hemline below the knee. Ladies will not be admitted wearing divided skirts, culottes or trousers of any kind.

Whilst not a requirement, it is customary for ladies to wear hats.

The use of mobile phones for making or receiving calls is not permitted within the Stewards' Enclosure.

Those seen making or receiving calls on their mobile phones will be reminded of this ban by Security Guards and Regatta Officials. They will be asked to stop and a note will be taken of their Badge Number. This will allow the responsible Member to be identified.

If the request to stop is ignored or if the same person is seen to be making or receiving calls for a second time, then the person will be escorted out of the Stewards' Enclosure and their badge will be forfeited.

Members are reminded to bring the dress code and mobile phones policy to the attention of their Guests, in order to avoid the possibility of embarrassment of a Guest being refused admission or being escorted out of the Enclosure.

REGATTA ENCLOSURE

The Regatta Enclosure is situated on the Berkshire bank, just downstream from the Stewards' Enclosure. It is open to competitors, supporters and the general public. The Regatta Enclosure offers seating alongside the river and in an open grandstand. There is an excellent covered restaurant, an outside dining area and a bar.
